5 Values Hazrat Abbas(A.S) Taught Us

That Kids Can Practice Today

A Muharram Reflection Series

LOYALTY

Hazrat Abbas (A.S.) never left Imam Hussain's (A.S.) side, even when things were hardest.

Try This: Stand by your friend today,
even when it is not easy.

BRAVERY

Hazrat Abbas (A.S.) walked into danger to bring water for the children. He was never afraid.

Try This: Do something brave today, like standing up for someone or trying something new.

SELFLESSNESS

Hazrat Abbas (A.S.) reached the river but did not drink.
He thought only of the thirsty children back at camp.

Try This: Give someone else the first
turn or the bigger piece today.

KEEPING PROMISES

Hazrat Abbas (A.S.) promised to bring water for the children. He kept his word no matter what.

Try This:

Make a promise today and keep it,
even when it feels hard.

PROTECTING OTHERS

Hazrat Abbas (A.S.) shielded the women and children of Karbala. He was their protector.

Try This: Look after someone smaller or younger than you today.

**Hazrat Abbas (A.S.)
showed us that true
strength is using your
to help others.**

**Which value will you
practice today?**
